Continuation of Substance of Interview including description of the general nature of what was discussed: Mr. Jansson initially called to suggest amendment correcting claim dependency problem noted in last Office Action. Exmr. Heckenberg agreed to do Examiner's amendment as suggested by Mr. Jansson. Exmr. Heckenberg then noted that claims appeared to still be anticipated by Lin reference and suggested describing mating arrangement between female member and fin portion to distinguish reference. Mr. Jansson agreed to such an amendment (see Examiner's Amendment).
